

## **TESA Electric insulating tape PVC - black 15mm\_10 meter**

**Art. Nr:** CA-TAP-P15TB

---

### **DESCRIPTION**

---

The tesaflex PVC insulation tape 53988 is highly flexible and provides great adhesive strength. It is suited e.g. for insulating and marking wires.

### **Features**

- Certified according to IEC 60454-3-1 (VDE, IMQ, SEMKO), VOC-certified, RoHS 2.0 and REACH conform
- Thick backing material (150 µm)
- High dielectric breakdown voltage (7.000 V)
- Heat-resistant up to +90° C
- Available in many different colors and dimensions

### **Sizes**

Length: 10meter

Width: 15mm

### **NOTES**

---

- Protect tape from exposure to direct sunlight.
-
